Respected Sir/madam,
This is to inform you that if institutes have already approved the students for enrollment form and only fee payment is pending from the student side then they can fill the form till 20/02/2022 And this is the last chance to pay the fees, further no extension will be provided after this. Please take note of it. Please ask students to pay fees before 20/02/2022 who have not paid the fees for enrollment.

Thanks & Regards,

Vidya Chauhan
