

GOVERNMENT POLYTECHNIC VALSAD
MECHANICAL DEPARTMENT

SEPTEMBER: 2021

**EXPERT LECTURE ON
INDUSTRIAL AUTOMATION WITH HYDRAULICS**

An expert lecture is being organized 3rd Semester students on the topic of “Industrial Automation with Hydraulics” delivered by Assistant Keyur Surti, Assistant Professor, Automobile Engineering, Uka Tarsadia University. He introduced how hydraulics technology can transition its image to the new world. He emphasized importance of hydraulics that Industry as a backbone in contemplating, designing

**FOR GOVERNMENT POLYTECHNIC,
VALSAD**

**WEBINAR ON
INDUSTRIAL
AUTOMATION
WITH HYDRAULICS**

SPEAKER

MR. KEYUR K. SURATI
Assistant professor
Department of Automobile Engg.
uka Tarsadia University

**MODERATOR
MR. SACHIN GUPTA**
Assistant professor
Department of Automobile Engg.
Uka Tarsadia University

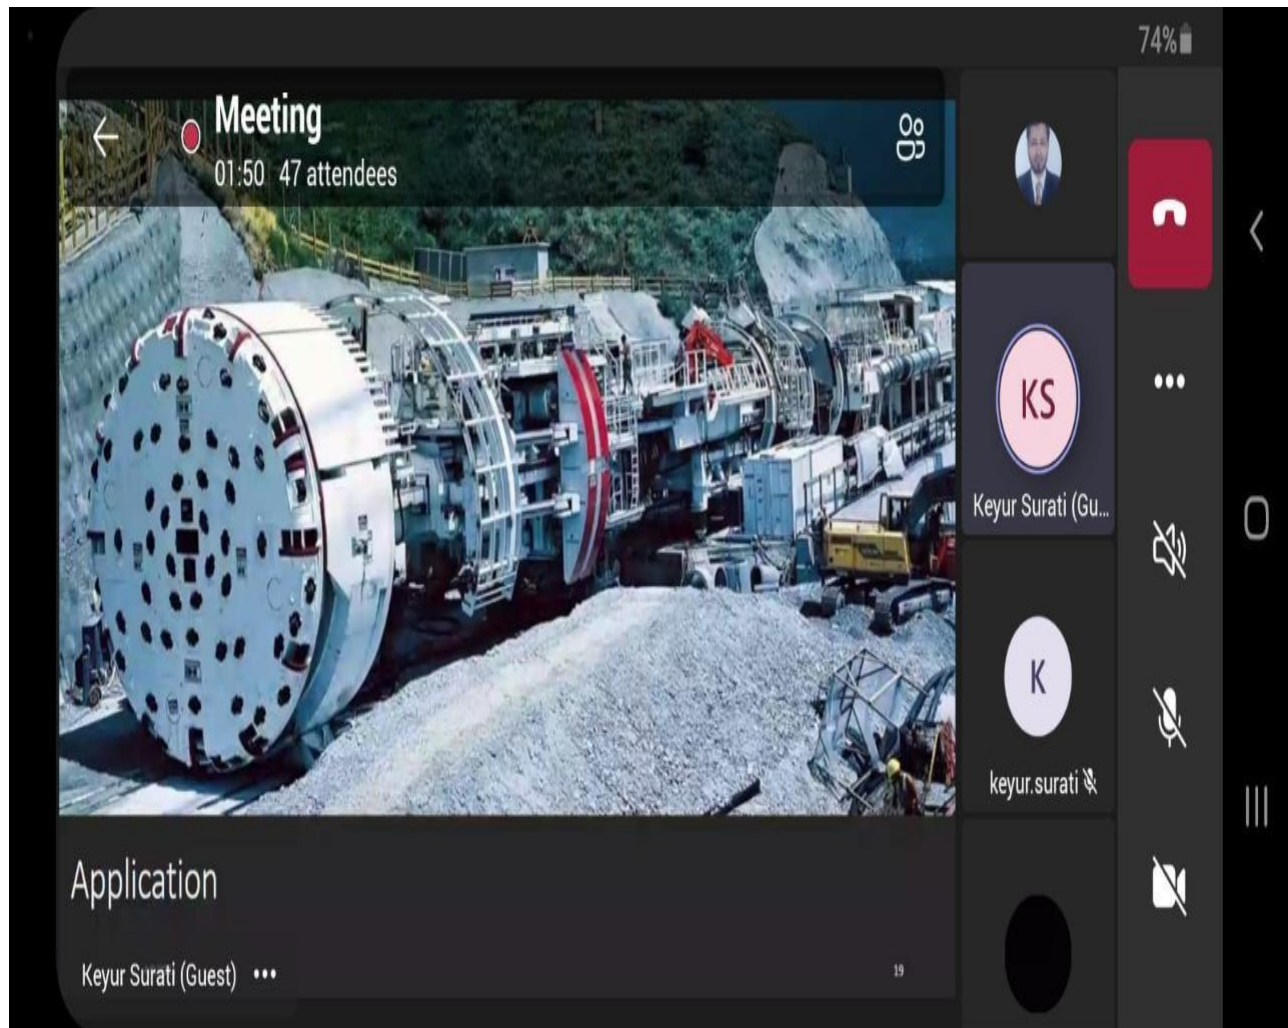

**MODERATOR
MR. ASHISH PATEL**
Lecturer
Mechanical Engineering
Government Polytechnic, Valsad

**MODERATOR
MR. BHAVESH PATEL**
HOD
Mechanical Engineering
Government Polytechnic, Valsad

and applying to most intricate and complex motion and power control problems, which many times are found difficult to be handled by pure mechanical or electrical

systems alone. This lecture will give motivation to students to understand the Industrial Automation with Hydraulics and will provide a platform to students
