## **DEPARTMENT OF MECHANICAL ENGINEERING**

### **REPORT ON EXPERT LECTURE**

The department of Mechanical engineering of Government Polytechnic Valsad organized an expert lecture for the fifth semester students on “How to build career in industry” on 22-08-2022.

The Guest speaker Mr. Hiren Patel, Marketing Head of Greendot Management Solutions, Valsad was heartily welcomed by Mr. B. N. Patel, Head of the department of Mechanical.

The speaker introduced A career plan is a strategy that continuously develop to manage the learning and progression throughout the working life. Career planning is important for a number of reasons - having a career development plan in place reduce the risk of you making impulsive decisions, and it helps you to recognize when you're ready to look for new opportunities and develop new skills.

As per the feedback received from the participants it was a very good learning experience, the lecture helped them in understanding how to visualize the actions need to take to achieve your career goals and how to put these actions into practice.
