Electrical Engineering Department
EXPERT LECTURE REPORT

On 16th of March 2023 *Prof. Jay Patel sir* delivered expert lecture On “Selection and testing of LV Switchgear” For 6th semester Students. *Prof. Jay Patel* sir is currently working as Assistant Professor at UKA Tarsadiya University Bardoli.

Objective of The Expert lecture was

- 1) Importance of Selection and testing of LV Switchgear for Industrial and Residential use.

The students of 6th semester electrical were Join in Civil seminar hall for the expert lecture. **Total**
No of 82 students of final year participated in this expert lecture. The Students Showered with knowledge of Selection and testing of LV Switchgear he discussed step by Step.

He Correlate different topic and made the lecture Interesting he discussed the classifications, Application and different Low voltage equipment’s used in power system. He widely explained About How to select this equipment’s for the Protection. He Also conducted Practical session to understand practically. Finally He explained the paper pattern and also how to study for examination purpose.

Expert Lecture was Organized and Coordinated by Mr. H N Lad and Mr. H C Patel Lecturer in electricalengineering.

The feedback of student was good and they were satisfied with lecture.

Name of Subject	Switchgear and protection
Code	3360901
CO Covered	CO 2 : Maintain various types of circuit interrupting devices CO3 : Maintain various types of relay.
