**Life and Employability Skills Training** was conducted at our institute for Final year students under Finishing School During 20th December to 24th December, 2021 by **Trainer Arul Pillai**. The program was commenced by the arrival Shree C. H. Bhatt Sir our principal followed by a welcome speech. Average **40** Students from Chemical and Civil Engineering were participated out of 50 student.

The main objective of Finishing School Program is to prepare the students to face the challenges of the placement process and also equip them with skills required once they enter the corporate world. Our college got the opportunity to groom our students in employability skills under this sponsored program of ‘Finishing School’ supported by KCG, Ahmadabad, Gujarat.

The components covered during the training have been (1) Life Skills (2) Employability Skills Each of the components, with its internal variety of sub-themes and core elements, has been significantly useful and fruitful in shaping personality and career of our students.

This phase of Finishing school helps students to learn **team work and leadership skills. Students are taught to learn real life problem solving and crisis management and professional ethics.** Which is need of the industries now a days. Students were also taught key skills of **time management, self-discipline, emotional intelligence and stress management** which is required for today fast paced life.

The training of 20 hours was effectively completed by the trainer. This innovative teaching and learning process was well appreciated by the students. Trainers delivered the lectures in very effective and efficient manner. The students were very much regular to the training and participated with full enthusiasm. On the last day of training the students gave a small farewell also to trainers.
