E-waste collection and Disposal Drive

Place of Event:

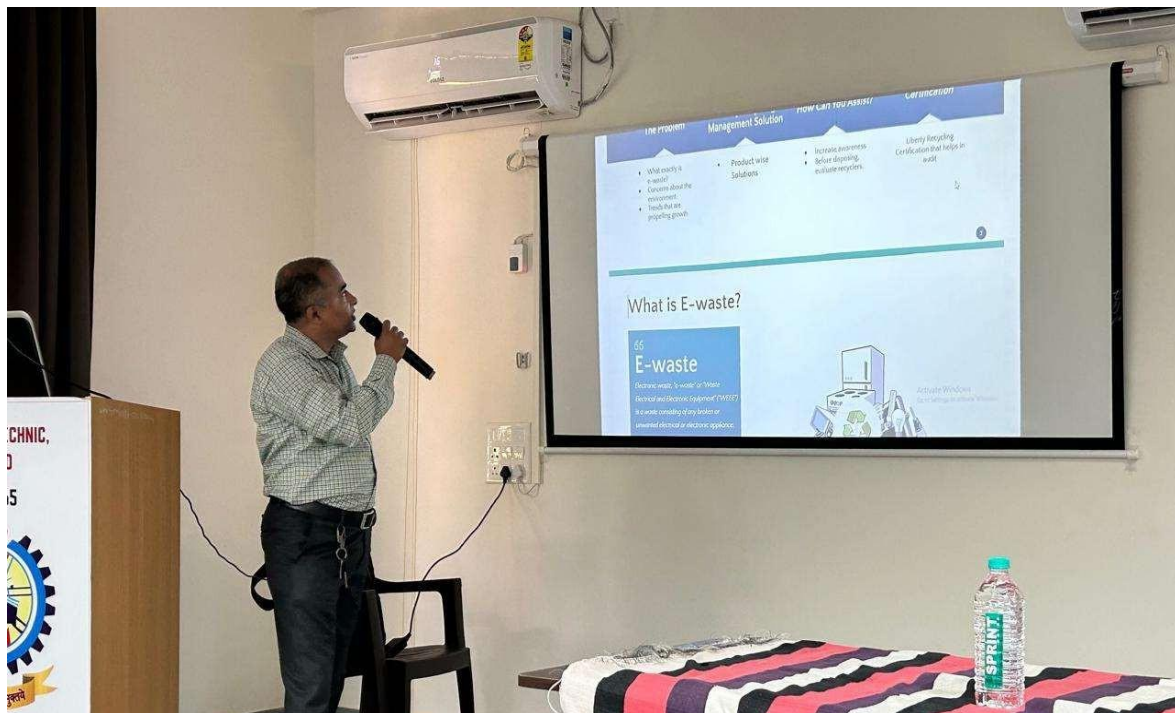

SEMINAR HALL

Date:

08/10/2024

Purpose:

To Spread Awareness about E-waste collection and Disposal Drive

NSS and Electrical Engineering department, GP Valsad has organized Seminar on “**E-waste collection and Disposal Drive**” for students and faculties. Through the seminar, we learned what E-Waste is and how it harms the environment, humans, animals and how it should be disposed of. The Seminar was extremely informative. The knowledge and experience about E-Waste collection and disposal drive share by Mr. Rajesh Solanki, Senior Manager of Liberty Recycling, Pardi.

Concluding Remark:

Got to know a lot about **E-waste collection and Disposal Drive** from this seminar and we will follow it in future and such seminar keep happening in future and more and more people keep getting awareness about **E-waste collection and Disposal Drive**.
