Civil Engineering Department

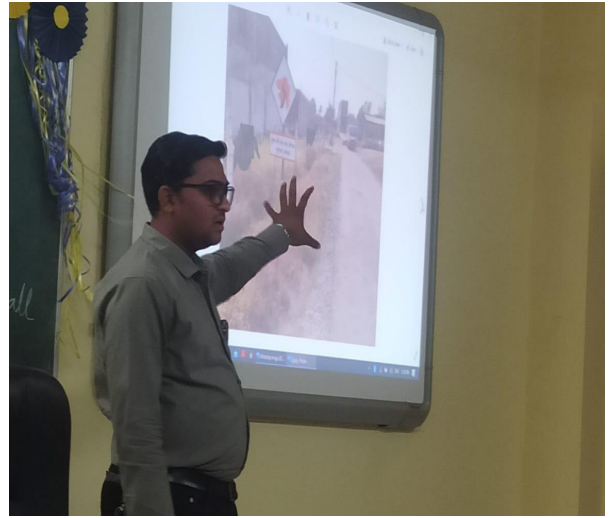

28 MARCH, 2022

Expert Lecture : Quality Monitoring Of Road Construction Work

The Civil Engineering Department organized an expert lecture on 'Application of Autocad Software' by Shri Raviraj M Patel, Road Quality Monitor (QM), Navsari (approved for Road Monitoring work in Navsari by GoG) on 28th March 2022 for the students of IV Semester for the course Basic Transportation Engineering (3340603). The students are expected to be able to supervise and maintain road construction work considering the factors of safety and accuracy. Observations made by the expert during visits to MMGSY and PMGSY roads regarding their quality and improvements were discussed in the lecture. The expert shared important practical details and experiences from field which were an important addition to the theoretical knowledge gained by students during classroom sessions. The expert also narrated his journey to becoming a QM and also how to prepare for the same. Mr. S. D. Kakwani, Head, Civil Engineering Department, and Ku. A. K. Shah, Lecturer, Civil Engineering Department coordinated.
