Tree Plantations

On 26/7/2024, a tree plantation program was organized by the students studying in Civil Department.

Industrial Training Experience

We recently completed our 3-Weeks industrial training at the Surat Metro Rail Project under L.C.C Pvt. Ltd. From 08/07/2024 to 28/07/2024 and it was an incredibly enriching experience. The training provided us with hands-on exposure to the latest technologies and methodologies used in the metro rail industry.

The team at L.C.C Pvt. Ltd. was extremely supportive and knowledgeable, offering valuable guidance and insights throughout the training period. and we appreciated the opportunity to work alongside experienced professionals who shared their expertise freely.

We are extremely thankful to Mr. Jaydeep Sutraiya for allowing us in this training program and giving us the consent letter for the same.

We specially acknowledge the efforts of Mr. Punit Mori, Mr. Harshal Shah, Mr. Maulik Oza, Mr Keyur Patel and all other staff members for supporting us and giving us all the required information related to the project.

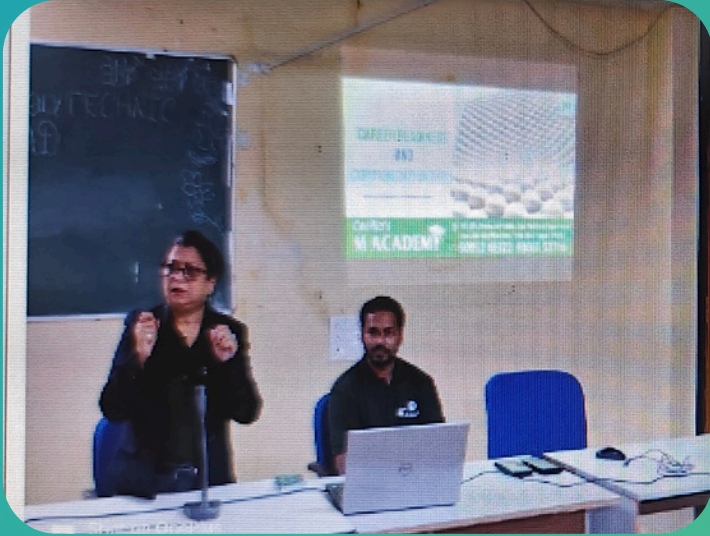

The training has significantly enhanced our skills and understanding of developing infrastructural projects like the metro rail construction, safety protocols, and project management. We are grateful for the experience and confident that it will benefit our students in the future.

- Mr.K.P.Billimoria , Mr. D.R. Saniawala , Mr. G.K.Patel.

Teacher's Day Celebration

Teacher's Day is celebrated annually on September 5 to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan, a renowned philosopher and India's second President. This day is dedicated to acknowledging and honoring the selfless efforts of teachers who play a vital role in shaping the minds of future generations.

The outline of The Teacher's Day Celebration program was prepared by the Gymkhana committee member Mrs. Bhavini P. Patel in the civil department at Government Polytechnic Valsad. In which every staff member of the civil department is involved in the program. A total of 12 students from the second and third year participated in the program. 12 students served as teachers and 3 students served as administrative staff. Academic and administrative work was done very well by these students. Each student who participated in the program was honored with a participation certificate and the first three winners were awarded with a medal.

Semicone India –2024 Live Streaming Program

On 11th September, 2024 at 11:00 AM the Semicon India 2024 program was inaugurated by the Hon'ble Prime Minister as per instructions of the Head Office to watch the program through online medium. 25 students of the Civil Department participated. The program was organized and managed by the Gymkhana committee members Mr.M.R.Nasit (Lect.Chemical) , Mr.V.S.Patel (Lect.Plastic) , Mrs.N.M.Patel (Lect Electrical) , Mrs.B.P.Patel (Lect. Civil).

Program Highlights :

Prime Minister Narendra Modi inaugurated SEMICON India 2024 and emphasized India's commitment to semiconductor investments, targeting \$500 billion for the electronics sector by the end of the decade .

The conference showcased India's semiconductor strategy and policy, aiming to make India a global hub for semiconductors .

Top semiconductor CEOs, including Ajit Manocha, Randhir Thakur, Kurt Sievers, Hidetoshi Shibata, and Luc Van Den Hove, shared their insights and applauded India's efforts in the semiconductor sector .

Site Visit : Mulla Wadi Valsad 13/09/20224

A site visit was organized on 13/09/2024 from 2:30 PM to 5:00 PM for the students studying in the third semester with the aim of increasing the practical knowledge of the students under the subject of CMT. In which 62 students participated. The site visit was conducted by faculty members Mr.K.C.Patel,Mr.K.P.Billimoria and Mrs.A.K.Shah .

Waste Management Awareness Program

On 20/09/2024 the students of Girls Hostel were guided for proper disposal of waste generated in the hostel. She gave an understanding about the importance of waste management and its environmental benefits. Cleaning workers also participated in this awareness program.

NSS ACTIVITY - एक पेड़ माँ के नाम

Prime Minister Narendra Modi launched the "एक पेड़ माँ के नाम" campaign on World Environment Day, encouraging everyone to plant a tree in tribute to their mothers. He kicked off the campaign by planting a Peepal tree at Buddha Jayanti Park in Delhi. This initiative aims to promote sustainable development and environmental conservation. He also emphasized the importance of community participation and public movement in protecting the environment. The faculty members of the NSS committee of the college explained the importance of the tree to the students of the college in this context and the "एक पेड़ माँ के नाम" program was organized at the college level in which the students enthusiastically participated.

STUDENT'S CORNER

Story Time : The Power of Education

Elon Musk: The Innovator Who Never Stopped Learning

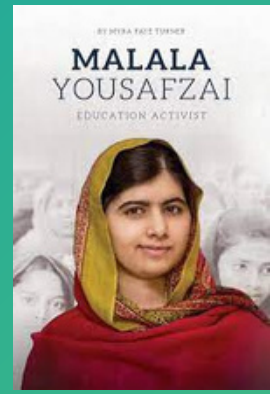

Elon Musk, the visionary entrepreneur behind companies like Tesla and SpaceX, is a prime example of how a thirst for knowledge and continuous education can lead to groundbreaking achievements. Musk was born in South Africa and moved to the United States to study physics and economics at the University of Pennsylvania.

While his formal education provided a strong foundation, Musk's insatiable curiosity and self-education played a pivotal role in his success. He taught himself computer programming and learned the intricacies of rocket science to pursue his ambitious goals in space exploration.

Musk's relentless pursuit of knowledge and innovation has led to numerous technological advancements and has inspired a new generation of scientists, engineers, and entrepreneurs. His story underscores the idea that education is not limited to the classroom and that a passion for learning can drive individuals to change the world.

Malala Yousafzai:

The Courageous Advocate for Girls' Education

Malala Yousafzai's story has captured the hearts of people worldwide. Born in Pakistan's Swat Valley, Malala faced the oppressive rule of the Taliban, who banned girls from attending school. Undeterred by the threat to her life, Malala continued to speak out for girls' education and attended school in secret. Her advocacy drew international attention and admiration.

In 2012, Malala was tragically shot by a Taliban gunman while on a school bus. She miraculously survived and became an even more prominent advocate for girls' education. Malala's determination and courage eventually led to her becoming the youngest-ever recipient of the Nobel Peace Prize in 2014.

Malala's story is a testament to the transformative power of education. Despite facing grave danger, she continued her pursuit of knowledge, and her unwavering commitment to education has inspired countless others to do the same.
