Model Presentation

The Model Presentation was organized by Chemical Engineering Department on 29th July 2022. The Model Presentation was on Model Flow sheet in the subject of Chemical & Mechanical Engineering Workshop (4320502). The 2nd semester students of Diploma in Chemical Engineering were participated in event.

The basic purpose of this model presentation was to understand the flow diagrams, devices, equipments & soft skills associated with identified competency.

This model presentation inculcates and boosts the communication, develops public speaking ability, and encourages self learning amongst the students.

Mrs. S.M.Chauhan, Mrs. D.P.Das, Mr. K.L.Kharadi, Mr. J. D. Rathod, Mr.G .G.Raval, Miss.K.B.patel, Mr.J.D.Raut, Mr.C.J.Bhalasod Mr. J.V.Patil, Mr.S.M.Kapadia from Chemical engineering department were observed the presentation and encourage the students. The staff members were highly impressed with the model presentation skills. There are 21 groups participated in the model presentations.

PO1 (Basic and Discipline specific knowledge), PO2 (Problem analysis), PO3 (Design/ development of solutions), PO4 (Engineering Tools, Experimentation and Testing), PO5 (Engineering practices for society, sustainability and environment), PO6 (Project Management) and PO7 (Life-long learning) were addressed from this event.

Glimpses of the Event
