

APPLIED MECHANICS DEPARTMENT

Expert Lecture Report

An expert lecture has been conducted in applied mechanics department for 6th semester students regarding the subject: “Design of Reinforced Concrete Structure” on 21/04/23 in offline mode.

Expert person and designation: Dr. Bhavin Patel, H.O.D., G.I.D.C Engineering College, Navsari.

Topic of the lecture: “**Design of Structure Using STAAD Pro**”

Description: The design of structure has been taught by the expert using design software named as “STAAD Pro”. The outcome of this lecture is to understand the design parameters of a building and how to use the design tool for design of a building.

About 77 numbers of students attended the expert lecture in Civil Engineering Seminar hall on 21st April, 2023.

Few photographs supported the lecture.

Lecture: “Design of Structure Using STAAD Pro” @ 21/04/23
