## INSTITUTE ACTIVITIES

### TRAINING AND PLACEMENT

The Training and Placement cell organized an online campus interview for current final year students of Electrical Engineering Department in association with Torrent Power Ltd. Surat on 4<sup>th</sup> May, 2021 and 37 students participated in this campus interview. It also organized an online campus drive for current final year students of Chemical, Mechanical, Electrical and Civil Engineering Departments in association with Innovesource Services Pvt Ltd. (Adani Group), L & T Defence – Hazira, Asahi India Glass Ltd – Patan, Essel Propack Limited- Vapi, Meril life science – Vapi, TATA Autocomp system ltd – Sanad, Godrej Industries Ltd. Valia, Pidilite Industries Vapi in the month of June 2021 and around 100+ students are participated in this drive. The events were planned and coordinated by Mr. Manish R. Nasit, Training and Placement Officer.

### YOGA DAY CELEBRATIONS

The institute organized Yoga sessions on the occasion of the seventh International Day of Yoga on 21<sup>st</sup> June 2021. This year the theme of the yoga day is 'Yoga for wellness' emphasizing the significance of Yoga for physical and mental wellbeing. Every year the faculty members and students of the institute come together and do Yoga, but this year the celebrations were scaled down due to the corona virus pandemic. The institute avoided the mass session and arranged Yoga sessions at departmental level. All the departments organized sessions from 11.30 a.m. to 12.30 p.m. for the faculty and staff members to perform various *asanas* and practice Yoga. The students joined in the celebration on online platform. A faculty member from each department guided the audience in performing sitting and standing *asanas* and explained their importance simultaneously. The activity stressed that yoga has an

impact on the physical, mental and spiritual aspects of the being which is of great help in the present scenario. The celebration was a motivation to everyone to practice Yoga daily which can promote the holistic health of individuals amid the pandemic.

## **ACPDC AWARENESS PROGRAM**

An online Awareness Program for admission into Diploma Engineering was organized by General Department on 24<sup>th</sup> June 2021 from 1:00 pm to 2:00 pm. Mr. B. R. Patel and Dr. R. R. Panchal, lecturers from General Department presented the program. The program was guided by Head, General Department and the Principal of the institute.

The main purpose of this program was to aware the students towards the online admission process for the Diploma studies. The program made the students understand the process of registration and given instructions for online admission. Detailed information about our institute, the branches and all the facilities available was also provided to the students. 210 students benefitted from the program making it a great success.
