INSTITUTE ACTIVITY

G20 - AWARENESS PROGRAM

Under India's G20 Presidency program, an awareness program on G20-Y20 had been organized by Government Polytechnic Valsad on 6th February, 2023 in seminar hall of Government Polytechnic, Valsad. In this event 39 faculty members & 84 students had participated from different departments of institute. In this awareness program students and faculty members clearly understood concept of G20 and Y20 in the context of what, why and how.

G20 - ESSAY COMPETITION

Under India's G20 Presidency program, an essay competition 'Sustainable Urban Development' was organized by Government Polytechnic Valsad on 8th February 2023. This event was carried out to spread awareness to the students about different need of urban development with considering sustainable concept. Also students were made aware with save environment, save energy concept. In this event 13 students had participated from different departments of institute and three students were awarded with first, second, third rank respectively.

DEPARTMENT ACTIVITY

WORKSHOP

The Department of Mechanical, Government Polytechnic Valsad organized a one day workshop on "Basic programming & Operation on CNC Lathe & Milling" on 20th February 2023 at CIPET Chikhli. The main objective of the workshop was set up, operation and manual programming of CNC Lathe & Milling. 61 students of Mechanical department and 2 staff members attended the workshop.

EXPERT LECTURES

The Chemical Engineering Department has organized technical expert lecture for final year students on topic of 'Various Reactors and Their Application' by Dr. Rohit Sunil Khedkar, Associate Professor, School of Engineering, Chemical Engineering, P P Savani University, Dhamdod, Kosamba, Surat on 10th February, 2023. The event was planned and coordinated by Mr. Manish R. Nasit, Lecturer, Chemical Engineering Department.

The Civil Engineering Department organized an expert lecture on 'Green Building' on 24th February 2023. Dr. Digant Pastagia, Associate Professor, Department of Civil Engineering at Sri Swami Atmanand Saraswati Institute of Technology, Surat was invited to speak. The lecture was organized with an aim of sharing knowledge about the various types of materials used in the construction of green building and the advantages of green building structure. The lecture was coordinated by Shri Pratik V. Mehta, Lecturer, Civil Engineering Department.

STUDENTS' ACTIVITIES

Seven students from Mechanical Engineering Department attended Skill Training Program on “Operation & programming of EDM (Electric Discharge Machining) & WEDM (Wire Electric Discharge Machining)” from 06th to 17th February 2023 at CIPET, Ahmedabad. The training covered topics like overview of EDM & WEDM, set up and operation of EDM & WEDM and manual programming of EDM & WEDM.
