The result of Semester-6, Regular May-2020 online examination phase-1 of the **Chemical Engineering** is **100%** , phase-II is **100%** and of phase- is **97.56%**.

INSTITUTE ACTIVITIES

ONLINE CAMPUS INTERVIEW

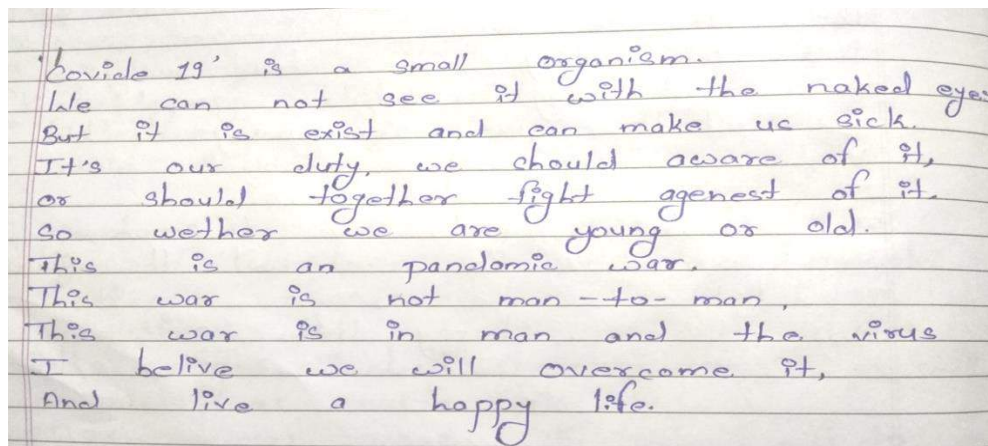

The Training and Placement cell has organized online campus drive for current final year students of chemical, mechanical, electrical and civil engineering department in association with Godrej Industries Ltd. Valia, Macleod's Pharmaceuticals Ltd Sarigam, Pidilite Industries Vapi, Waaree Renewables Pvt Ltd. Umbergam, Bajaj Auto-Pune (Hirepro Consulting Pvt. Ltd.-Mumbai), VVF India Ltd- Daman (Matrix Human Capital Solution-Vapi-Third Party Pay Roll), Subros Ltd. Karsanpura Dist. Ahmedabad, Vapi Green Enviro Limited- Vapi. In this online campus drive 20 students of Chemical Engineering Department, 6 students of Mechanical Engineering Department, 11 students of Electrical Engineering Department and 1 student of Civil Engineering Department are selected in various industries. The event was planned and coordinated by Mr. Manish R. Nasit, Training and Placement Officer.

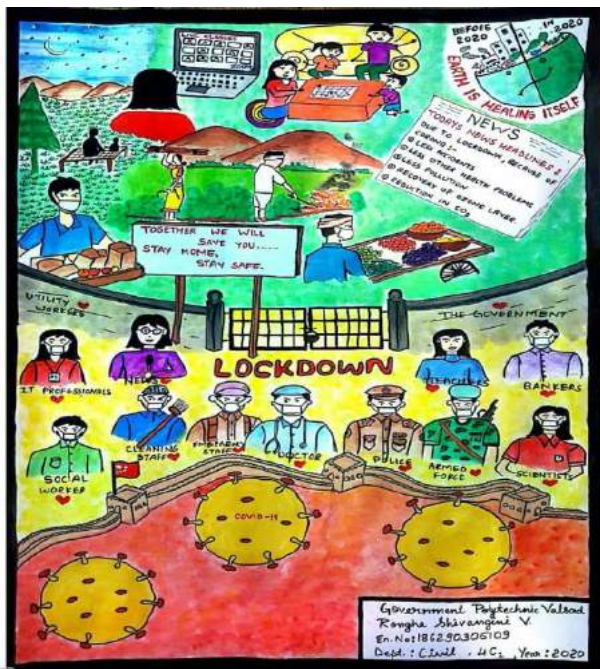

MAY ACTIVITY

The institute is putting active efforts towards the Mukhyamantri Apprenticeship Yojana launched by the Government of India to increase skilled man power in the country. The process of employing 58 apprentices from the various educational institutions of Valsad has been completed due to the endeavors of the various departments of the institute. Continuing the vigorous efforts, the institute plans to achieve the target of employing 200 apprentices from various organizations in the financial year 2020-21.

GUJARAT STHAPANA DIN

On occasion of 60th Gujarat Sthapana Din, Gujarat Gaurav Din was celebrated online on 1st May 2020. As a part of celebration various competitions like Drawing, Essay & Poem writing were organized by the institute. Shri. D. Rao of Civil Engineering Department organized the event in which the students participated enthusiastically.

(Creative inputs of students)

INTERNATIONAL YOGA DAY

International Yoga Day is celebrated throughout the world on 21st June every year. In current pandemic time, yoga is playing very important role for improvement of immunity of individuals. The day was enthusiastically celebrated on online platform by staff members and students of the institute.

ACPDC AWARENESS PROGRAM

An online Awareness Program for admission into Diploma Engineering was organized by General Department on 5th September, 2020 from 11:30 am to 12:30 pm on the occasion of Teacher's day. Mr. B. R. Patel and Dr. R. R. Panchal, lecturers from General Department presented the program. The program was guided by Head, General Department and the Principal of the institute.

The main purpose of this program was to aware the students towards the online admission process for the Diploma studies. The program taught students how to do choice filling and explained all the other procedures after registration. Detailed information about our institute, the branches and all the facilities available was also provided to the students. 1300 students benefitted from the program making it a great success.

FIT INDIA MOVEMENT

The NSS Committee of the institute organized various activities under the Fit India Movement initiated by Government of India in the third week of September 2020. The purpose of the events was to create awareness of fitness, natural lifestyle, stay happy among the staff and students. The response from staff and students was overwhelming. Large numbers of students had participated in this event and sent their photos of participation. Students also took the oath to become fitness freak.

DEPARTMENT ACTIVITIES

WEBINAR

A webinar was organized by Shri S. D. Kakwani, Head Civil Engineering Department and Shri Kayomarze Billimoria, Lecturer, Civil Engineering Department on 20th May 2020. Mr. Chirag V. Shah, Founder & M.D., The Magnate Projects spoke on 'Opportunities for Civil Engineers in the Field of Interior Work'. The webinar was organized with an aim to enhance and encourage civil engineering students in field of interior work. Total 120 students participated in this webinar.
