Guidelines for Utilization of Grant at Institute Level Under Student Startup and Innovation Policy (SSIP), Government of Gujarat

Revised w.e.f. 16/03/2021

With a primary objective to create an integrated, state-wide, university-based innovation ecosystem to support innovations and ideas of young students and provide a conducive environment for optimum harnessing of their creative pursuit the Government of Gujarat has pioneered to implement the Student Startup & Innovation Policy (SSIP).

As per the provisions of the policy, funding support has been provided for capacity building initiatives to be undertaken at universities and institutes of higher education, funds are also provided for sensitization of students regarding innovation and entrepreneurship, prototyping of ideas and innovations, IPR and allied efforts.

These guidelines are provided for sensible utilization of Grant-in-Aid allocated for the various activities under SSIP such as, setting up innovation council/cell, developing pre-incubation process, sensitization of students for innovation and start-up, award/recognition for students, prototype development support, patent filing, mentoring, Industry interactions etc.

It is essential to ensure that the Grant-in-Aid received by an Institute are used only for the stipulated purpose. Institute receiving Grant-in-Aid under SSIP should form Institute level committees as listed below for smooth implementation and functioning to achieve objectives of SSIP:

1. Institute Level SSIP Committee:

- This committee will supervise all the activities under SSIP mandate.
- This committee should meet every month or whenever need arises to review the applications received for extending various support.
- The committee may include domain experts as members whenever need arises.
- Organizational Structure of this committee shall be as follows:
